

# Envelope Guide

This guide is for matching your invitations, announcements, or stationery to the right envelope. This list shows which envelopes are kept in stock to be easily shipped with your order. We also offer envelope imprinting and variable data imprinting.

*Imprinting prices shown are per envelope per side*

## Envelope Color Options

The CMYK color builds provided below have been tested on our presses to produce the closest match for color envelopes. Please note the color builds are best used as a complementary color in your designs and will not produce exact matches. Since envelopes are dyed, printing a perfect color match is not possible. Large full coverage areas printed with CMYK builds to mimic the envelope color are not recommended.

**EBONY**  
(70, 50, 20, 100)  
White Ink Only

**IMPERIAL BLUE**  
(90, 78, 46, 39)
