

The diagram illustrates the layout of a 4Bar EURO FLAP Envelope. It features a large, light gray rectangular area representing the envelope's body. A dashed green line outlines the printable area, which is a smaller rectangle within the body. A solid black line outlines the non-printable area, which is a larger rectangle that includes the printable area and a border. The top flap of the envelope is shown as a light gray triangle extending from the top edge of the non-printable area. The bottom flap is shown as a light gray triangle extending from the bottom edge of the non-printable area. The diagram is set against a white background.

4Bar EURO FLAP Envelope

3.625" x 5.125"

Fits 3.5" x 4.875" Products

Non-Printable Area

Envelope printing tips:

- Artwork cannot bleed/touch edge.
- The envelopes are printed on a different machine than our press - the printer tends to print slightly darker and will not be an exact match.
- Large/heavy areas of coverage are not recommended.
- Textured envelopes may show through printing.
