

The image shows a diagram of an A2 envelope template. It features a large trapezoidal shape with a dashed green border, representing the envelope's outline. Inside this shape, there is a smaller, solid white trapezoidal area representing the product placement. Below the envelope diagram, there are two text boxes. The left box contains the envelope dimensions and product fit. The right box contains a list of printing tips. A dashed green border surrounds the bottom section of the page.

Envelope printing tips:

- Artwork cannot bleed/touch edge.
- The envelopes are printed on a different machine than our press - the printer tends to print slightly darker and will not be an exact match.
- Large/heavy areas of coverage are not recommended.
- Textured envelopes may show through printing.
